Director's Meeting

Monday, 19 November 1951

25X1

Mr. Dulles stated that he had seen [] over the weekend and he is willing to go ahead, in Italy. He would like a six months' leave of absence from the Petroleum Institute. The DCI stated that in fairness we would have to inform the Institute that if everything worked out well after a trial of 6 months, we would then ask for an indefinite leave of absence for []

Mr. Wolf stated that he now has a list of all safe houses which he will show to the Director.

Mr. Wisner has a paper from the PSB staff in regard to formulation of a National Psychological Strategy, []. This appears to be the first step towards drawing up a strategic plan. There will be informal discussion this afternoon and Mr. Wisner will attend.

Mr. Wisner reported that the Air Force was worried because State Department has changed its mind about the deploying of the First []. The British have objected strenuously in regard to such deployment and Air Force wants CIA support. Mr. Wisner would like a quick estimate on the political repercussion caused by such deployment and will ask [] for a memorandum. Mr. Dulles suggested
